

FESTIVAL
MONI LAZARISTON

Our Story

Moni Lazariston is a unique cultural center in Thessaloniki, with an active presence over the past 25 years.

The first concerts took place in 1992 and from then on every summer the former catholic monastery hosted several cultural events at its outdoor courtyard.

In 2002, Moni Lazariston Festival was formed with its current characteristics. Since then, FML is a major organizer of cultural activities in the city of Thessaloniki.

The greatest artists of the Greek and International music industry, with a variety of music, constantly win the audience's acceptance and cheerful applause.

Moni Lazariston Festival provides artistic diversity, by organizing concerts, dance performances, theatrical plays and art exhibitions in their most contemporary form. The surrounding atmosphere is constituted by many levels designed to host editions of every cultural expression.
